

Les aires

Le rectangle

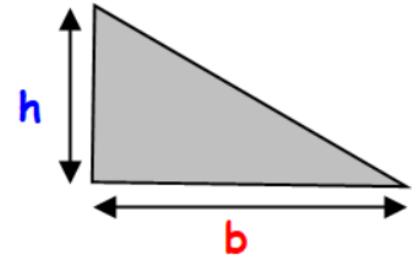

$$A_{rectangle} = L \times l$$

Le carré

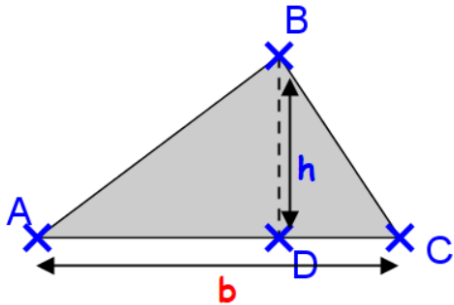

$$A_{carré} = c \times c = c^2$$

Le triangle rectangle

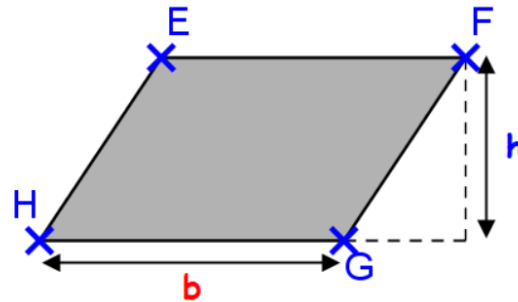

$$A_{triangle} = \frac{b \times h}{2}$$

Le triangle

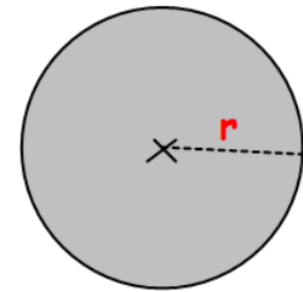

$$A_{triangle} = \frac{b \times h}{2}$$

Le parallélogramme

$$A = b \times h$$

Le disque

$$A = \pi \times r^2$$
